When looking for a chiropractic clinic and a [chiropractor in Barrie](#), Ontario, you should be looking for a doctor that takes the time to know your name. A doctor should take the time to know what you do and fully understand the problems and symptoms you are experiencing. A doctor that takes the time to listen and learn about you is a doctor that can get to the root of your problem and solve it with great success. The confidence you have in your doctor is earned and not given freely. If the doctor can earn your confidence, then you can consider him one of the best chiropractors in Barrie. If he takes the time to get to know you, finds the problem, corrects it and sends you to get on with your day, then you can say you have found one of the best chiropractors in Barrie. This is the kind of service I try to provide each of my patients.

Dr. Ron Linzner and the Simcoe County Chiropractic Clinic are also known for providing some of the best [orthotics in Barrie](#). Using Footmaxx brand orthotics and gait scanning equipment, patients have found the orthotics to be excellent in quality, accuracy and turn around time. Rarely does an orthotic have to be modified or altered. This has lead to an excellent patient satisfaction rate. The orthotics are designed with a less is more approach. The orthotic corrects the problem experienced by the patient without being too bulky or cumbersome. An orthotic designed to be easy and pleasant to wear is one that is actually worn. The fact is most orthotics work. In order to be considered the best orthotics they have to work well, be comfortable, address the underlying problem and be worn as prescribed.

When choosing a chiropractic clinic and doctor in Barrie, you should choose one that takes the time, listens, fully understands your problem and gains your confidence. We want you to have the best experience at the Simcoe County Chiropractic Clinic. You can reach us at 733-BACK or 733BACK.com. So go ahead, give us a call and let us assess your condition or build you some awesome orthotics. You will not be disappointed.
